Security

Sponsor: Representative Leigh Hulsey

Analyst: Jennifer Farish

Date: 01/21/2026

---

**House Bill 101** as reported by the Committee on Public Safety and Homeland Security would authorize the issuance of a distinctive motor vehicle license plate to individuals diagnosed with invisible disabilities and to the primary caregivers of those individuals upon payment of the standard \$23 issuance fee and an additional annual fee of \$40 to be distributed as follows:

|                                                   |         |
|---------------------------------------------------|---------|
| 2.5% Commission to License Plate Issuing Official | \$1.00  |
| Department of Corrections                         | \$1.50  |
| Department of Revenue-Administrative Cost         | \$1.00  |
| Kulturecity, Incorporated                         | \$36.50 |
| Total                                             | \$40.00 |
