multistate license to practice esthetics.

(c) Individuals not residing in a member state shall continue to be able to apply for a member state's single-state license as provided under the laws of each member state. However, the single-state license granted to these individuals shall not be recognized as granting a multistate license to provide services in any other member state.

(d) Nothing in this compact shall affect the requirements established by a member state for the issuance of a single-state license.

(e) A multistate license issued to a licensee by a home state to a resident of that state shall be recognized by each member state as authorizing a licensee to practice esthetics in each member state.

(f) At no point shall the commission have the power to define the educational or professional requirements for a license to practice esthetics. The member states shall retain sole jurisdiction over the provision of these requirements.

§34-7B-83 Multistate license.

(a) To be eligible to apply to his or her home state's licensing authority for an initial multistate license under this compact, a licensee must hold an active and unencumbered single-state license to practice esthetics in his or her home state.

(b) Upon the receipt of an application for a multistate license, according to the rules of the commission, a member state's licensing authority shall ascertain whether the applicant meets the requirements for a multistate license

HB279 INTRODUCED

225 under this compact.

226 (c) If an applicant meets the requirements for a
227 multistate license under this compact and any applicable rules
228 of the commission, the licensing authority in receipt of the
229 application, within a reasonable time, shall grant a
230 multistate license to that applicant and inform all member
231 states of the grant of the multistate license.

232 (d) A multistate license to practice esthetics issued
233 by a member state's licensing authority shall be recognized by
234 each member state as authorizing the practice thereof as
235 though that licensee held a single-state license to do so in
236 each member state, subject to the restrictions herein.

237 (e) A multistate license granted pursuant to this
238 compact may be effective for a definite period of time,
239 concurrent with the licensure renewal period in the home
240 state.

241 (f) To maintain a multistate license under this
242 compact, a licensee must:

243 (1) Agree to abide by the rules of the licensing
244 authority, and the state scope of practice laws governing the
245 practice of esthetics, of any member state in which the
246 licensee provides services;

247 (2) Pay all required fees related to the application
248 and process, and any other fees which the commission, by rule,
249 may require; and

250 (3) Comply with any and all other requirements
251 regarding multistate licenses which the commission, by rule,
252 may provide.

HB279 INTRODUCED

(g) A licensee practicing in a member state is subject to all scope of practice laws governing esthetics services in that state.

(h) The practice of esthetics under a multistate license granted pursuant to this compact will subject the licensee to the jurisdiction of the licensing authority, the courts, and the laws of the member state in which the esthetics services are provided.

§34-7B-84 Reissuance of a multistate license by a new home state.

(a) A licensee may hold a multistate license, issued by his or her home state, in only one member state at any given time.

(b) If a licensee changes his or her home state by moving between two member states:

(1) The licensee shall immediately apply for the reissuance of his or her multistate license in his or her new home state. The licensee shall pay all applicable fees and notify the prior home state in accordance with the rules of the commission;

(2) Upon receipt of an application to reissue a multistate license, the new home state shall verify that the multistate license is active, unencumbered, and eligible for reissuance under the terms of the compact and the rules of the commission. The multistate license issued by the prior home state will be deactivated and all member states notified in accordance with the applicable rules adopted by the commission;

HB279 INTRODUCED

(3) If required for initial licensure, the new home state may require a background check as specified in the laws of the new home state or compliance with any jurisprudence requirements of the new home state; and

(4) Notwithstanding any other provision of this compact, if a licensee does not meet the requirements set forth in this compact for the reissuance of a multistate license by the new home state, then the licensee shall be subject to the new home state requirements for the issuance of a single-state license in that state.

(c) If a licensee changes his or her primary state of residence by moving from a member state to a nonmember state, or from a nonmember state to a member state, then the licensee shall be subject to the state requirements for the issuance of a single-state license in the new home state.

(d) Nothing in this compact shall interfere with a licensee's ability to hold a single-state license in multiple states; however, for the purposes of this compact, a licensee shall have only one home state and only one multistate license.

(e) Nothing in this compact shall interfere with the requirements established by a member state for the issuance of a single-state license.

§34-7B-85 Authority of the compact commission and member state licensing authorities.

(a) Nothing in this compact, nor any rule of the commission, shall be construed to limit, restrict, or in any way reduce the ability of a member state to enact and enforce

HB279 INTRODUCED

laws or other rules related to the practice of esthetics in that state, where those laws or other rules are not inconsistent with the provisions of this compact.

(b) Insofar as practical, a member state's licensing authority shall cooperate with the commission and with each entity exercising independent regulatory authority over the practice of esthetics according to the provisions of this compact.

(c) Discipline shall be the sole responsibility of the state in which esthetics services are provided. Accordingly, each member state's licensing authority shall be responsible for receiving complaints about individuals practicing esthetics in that state and for communicating all relevant investigative information about any such adverse action to the other member states through the data system in addition to any other methods the commission, by rule, may require.

§34-7B-86 Adverse actions.

(a) A licensee's home state shall have exclusive power to impose an adverse action against a licensee's multistate license issued by the home state.

(b) A home state may take adverse action on a multistate license based on the investigative information, current significant investigative information, or adverse action of a remote state.

(c) In addition to the powers conferred by state law, each remote state's licensing authority shall have the power to:

(1) Take adverse action against a licensee's

HB279 INTRODUCED

authorization to practice esthetics through the multistate license in that member state, provided that:

a. Only the licensee's home state shall have the power to take adverse action against the multistate license issued by the home state; and

b. For the purpose of taking an adverse action, the home state's licensing authority shall give the same priority and effect to reported conduct received from a remote state as it would if such conduct had occurred within the home state. In so doing, the home state shall apply its own state laws to determine the appropriate action.

(2) Issue cease and desist orders or impose an encumbrance on a licensee's authorization to practice within that member state;

(3) Complete any pending investigations of a licensee who changes his or her primary state of residence during the course of such an investigation. The licensing authority shall also be empowered to report the results of such an investigation to the commission through the data system as described herein;

(4) Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, as well as the production of evidence. Subpoenas issued by a licensing authority in a member state for the attendance and testimony of witnesses or the production of evidence from another member state shall be enforced in the latter state by any court of competent jurisdiction, according to the practice and procedure of that court applicable to

HB279 INTRODUCED

subpoenas issued in proceedings before it. The issuing licensing authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the state in which the witnesses or evidence are located;

(5) If otherwise permitted by state law, recover from the affected licensee the costs of investigations and disposition of cases resulting from any adverse action taken against that licensee; and

(6) Take adverse action against the licensee's authorization to practice in that state based on the factual findings of another remote state.

(d) A licensee's home state shall complete any pending investigation of an esthetician who changes his or her primary state of residence while the investigation is pending. The home state shall also have the authority to take appropriate action and shall promptly report the conclusions of any investigation to the data system.

(e) If an adverse action is taken by the home state against a licensee's multistate license, the licensee's authorization to practice in all other member states shall be deactivated until all encumbrances have been removed from the home state license. All home state disciplinary orders that impose an adverse action against a licensee's multistate license shall include a statement that the esthetician's authorization to practice is deactivated in all member states during the pendency of the order.

(f) Nothing in this compact shall override a member

HB279 INTRODUCED

state's authority to accept a licensee's participation in an alternative program in lieu of adverse action. A licensee's multistate license shall be suspended for the duration of the licensee's participation in any alternative program.

(g) Joint investigations.

(1) In addition to the authority granted to a member state by its respective scope of practice laws or other applicable state law, a member state may participate with other member states in joint investigations of licensees.

(2) Member states shall share any investigative, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under the compact.

§34-7B-87 Active duty military and their spouses.

An active duty military service member or his or her spouse shall designate a home state where the individual has a current license in good standing. The individual or spouse may retain his or her home state designation during any period of service when that individual is on active duty.

§34-7B-88 Establishment and operation of the Esthetics Licensure Compact Commission.

(a) The compact member states hereby create and establish a joint government agency whose membership consists of all member states that have enacted the compact known as the Esthetics Licensure Compact Commission. The commission is an instrumentality of the compact states acting jointly and not an instrumentality of any one state. The commission shall come into existence on or after the effective date of the compact as set forth in Section 34-7B-92.

673 report of the commission.

674 (h) Qualified immunity, defense, and indemnification.

675 (1) The members, officers, executive director,
676 employees, and representatives of the commission shall be
677 immune from suit and liability, both personally and in their
678 official capacity, for any claim for damage to or loss of
679 property or personal injury or other civil liability caused by
680 or arising out of any actual or alleged act, error, or
681 omission that occurred, or that the person against whom the
682 claim is made had a reasonable basis for believing occurred
683 within the scope of commission employment, duties, or
684 responsibilities, provided that nothing in this subdivision
685 shall be construed to protect any such person from suit or
686 liability for any damage, loss, injury, or liability caused by
687 the intentional or willful or wanton misconduct of that
688 person. The procurement of insurance of any type by the
689 commission shall not in any way compromise or limit the
690 immunity granted hereunder.

691 (2) The commission shall defend any member, officer,
692 executive director, employee, and representative of the
693 commission in any civil action seeking to impose liability
694 arising out of any actual or alleged act, error, or omission
695 that occurred within the scope of commission employment,
696 duties, or responsibilities, or as determined by the
697 commission that the person against whom the claim is made had
698 a reasonable basis for believing occurred within the scope of
699 commission employment, duties, or responsibilities, provided
700 that nothing herein shall be construed to prohibit that person

701 from retaining their own counsel at their own expense; and
702 provided further, that the actual or alleged act, error, or
703 omission did not result from that person's intentional or
704 willful or wanton misconduct.

705 (3) The commission shall indemnify and hold harmless
706 any member, officer, executive director, employee, and
707 representative of the commission for the amount of any
708 settlement or judgment obtained against that person arising
709 out of any actual or alleged act, error, or omission that
710 occurred within the scope of commission employment, duties, or
711 responsibilities, or that such person had a reasonable basis
712 for believing occurred within the scope of commission
713 employment, duties, or responsibilities, provided that the
714 actual or alleged act, error, or omission did not result from
715 the intentional or willful or wanton misconduct of that
716 person.

717 (4) Nothing herein shall be construed as a limitation
718 on the liability of any licensee for professional malpractice
719 or misconduct, which shall be governed solely by any other
720 applicable state laws.

721 (5) Nothing in this compact shall be interpreted to
722 waive or otherwise abrogate a member state's state action
723 immunity or state action affirmative defense with respect to
724 antitrust claims under the Sherman Act, Clayton Act, or any
725 other state or federal antitrust or anticompetitive law or
726 regulation.

727 (6) Nothing in this compact shall be construed to be a
728 waiver of sovereign immunity by the member states or by the

729 commission.

730 §34-7B-89 Data system.

731 (a) The commission shall provide for the development,
732 maintenance, operation, and utilization of a coordinated
733 database and reporting system.

734 (b) The commission shall assign each applicant for a
735 multistate license a unique identifier, as determined by the
736 rules of the commission.

737 (c) Notwithstanding any other provision of state law to
738 the contrary, a member state shall submit a uniform data set
739 to the data system on all individuals to whom this compact is
740 applicable as required by the rules of the commission,
741 including:

742 (1) Identifying information;

743 (2) Licensure data;

744 (3) Adverse actions against a license and information
745 related thereto;

746 (4) Nonconfidential information related to alternative
747 program participation, the beginning and ending dates of such
748 participation, and other information related to such
749 participation;

750 (5) Any denial of application for licensure, and the
751 reason for such denial, excluding the reporting of any
752 criminal history record information where prohibited by law;

753 (6) The existence of investigative information;

754 (7) The existence of current significant investigative
755 information; and

756 (8) Other information that may facilitate the

HB279 INTRODUCED

administration of this compact or the protection of the public, as determined by the rules of the commission.

(d) The records and information provided to a member state pursuant to this compact or through the data system, when certified by the commission or an agent thereof, shall constitute the authenticated business records of the commission and shall be entitled to any associated hearsay exception in any relevant judicial, quasi-judicial, or administrative proceedings in a member state.

(e) The existence of current significant investigative information and the existence of investigative information pertaining to a licensee in any member state shall only be available to other member states.

(f) It is the responsibility of the member states to monitor the database to determine whether adverse action has been taken against such a licensee or license applicant. Adverse action information pertaining to a licensee or license applicant in any member state shall be available to any other member state.

(g) Member states that contribute information to the data system may designate information that may not be shared with the public without the express permission of the contributing state.

(h) Any information submitted to the data system that is subsequently expunged pursuant to federal law or the laws of the member state contributing the information shall be removed from the data system.

§34-7B-90 Rulemaking.

HB279 INTRODUCED

(a) The commission shall adopt reasonable rules to effectively and efficiently implement and administer the purposes and provisions of the compact. A rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the rule is invalid because the commission exercised its rulemaking authority in a manner that is beyond the scope and purposes of the compact, or the powers granted hereunder, or based upon another applicable standard of review.

(b) The rules of the commission shall have the force of law in each member state, provided that where the rules of the commission conflict with the laws of the member state that establish the member state's scope of practice laws governing the practice of esthetics as held by a court of competent jurisdiction, the rules of the commission shall be ineffective in that state to the extent of the conflict.

(c) The commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules shall become binding as of the date specified by the commission for each rule.

(d) If a majority of the legislatures of the member states rejects a rule or portion of a rule by enactment of a statute or resolution in the same manner used to adopt the compact within four years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state or to any state applying to participate in the compact.

(e) Rules shall be adopted at a regular or special

HB279 INTRODUCED

813 meeting of the commission.

814 (f) Prior to adoption of a proposed rule, the
815 commission shall hold a public hearing and allow persons to
816 provide oral and written comments, data, facts, opinions, and
817 arguments.

818 (g) Prior to adoption of a proposed rule by the
819 commission, and at least 30 days in advance of the meeting at
820 which the commission will hold a public hearing on the
821 proposed rule, the commission shall provide a notice of
822 proposed rulemaking:

823 (1) On the website of the commission or other publicly
824 accessible platform;

825 (2) To persons who have requested notice of the
826 commission's notices of proposed rulemaking; and

827 (3) In such other ways as the commission, by rule, may
828 specify.

829 (h) The notice of proposed rulemaking shall include:

830 (1) The time, date, and location of the public hearing
831 at which the commission will hear public comments on the
832 proposed rule and, if different, the time, date, and location
833 of the meeting where the commission will consider and vote on
834 the proposed rule;

835 (2) If the hearing is held via telecommunication, video
836 conference, or other electronic means, the commission shall
837 include the mechanism for access to the hearing in the notice
838 of proposed rulemaking;

839 (3) The text of the proposed rule and the reason
840 therefor;

HB279 INTRODUCED

(4) A request for comments on the proposed rule from any interested person; and

(5) The manner in which interested persons may submit written comments.

(i) All hearings will be recorded. A copy of the recording and all written comments and documents received by the commission in response to the proposed rule shall be available to the public.

(j) Nothing in this section shall be construed as requiring a separate hearing on each rule. Rules may be grouped for the convenience of the commission at hearings required by this section.

(k) The commission, by majority vote of all members, shall take final action on the proposed rule based on the rulemaking record and the full text of the rule.

(1) The commission may adopt changes to the proposed rule provided the changes do not enlarge the original purpose of the proposed rule.

(2) The commission shall provide an explanation of the reasons for substantive changes made to the proposed rule as well as reasons for substantive changes not made that were recommended by commenters.

(3) The commission shall determine a reasonable effective date for the rule. Except for an emergency as provided in subsection (1), the effective date of the rule shall be no sooner than 45 days after the commission adopted or amended the rule.

(1) Upon determination that an emergency exists, the

HB279 INTRODUCED

commission may consider and adopt an emergency rule with five days' notice, with opportunity to comment, provided that the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately to:

a. Meet an imminent threat to public health, safety, or welfare;

b. Prevent the loss of commission or member state funds;

c. Meet a deadline for the adoption of a rule that is established by federal law or rule; or

d. Protect public health and safety.

(m) The commission or an authorized committee of the commission may direct revisions to a previously adopted rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the

897 approval of the commission.

898 (n) No member state's rulemaking requirements shall
899 apply under this compact.

900 §34-7B-91 Oversight, dispute resolution, and
901 enforcement.

902 (a) Oversight.

903 (1) The executive and judicial branches of state
904 government in each member state shall enforce this compact and
905 take all actions necessary and appropriate to implement the
906 compact.

907 (2) Venue is proper and judicial proceedings by or
908 against the commission shall be brought solely and exclusively
909 in a court of competent jurisdiction where the principal
910 office of the commission is located. The commission may waive
911 venue and jurisdictional defenses to the extent it adopts or
912 consents to participate in alternative dispute resolution
913 proceedings. Nothing herein shall affect or limit the
914 selection or propriety of venue in any action against a
915 licensee for professional malpractice, misconduct, or any such
916 similar matter.

917 (3) The commission shall be entitled to receive service
918 of process in any proceeding regarding the enforcement or
919 interpretation of the compact and shall have standing to
920 intervene in such a proceeding for all purposes. Failure to
921 provide the commission service of process shall render a
922 judgment or order void as to the commission, this compact, or
923 adopted rules.

924 (b) Default, technical assistance, and termination.

HB279 INTRODUCED

925 (1) If the commission determines that a member state
926 has defaulted in the performance of its obligations or
927 responsibilities under this compact or the adopted rules, the
928 commission shall provide written notice to the defaulting
929 state. The notice of default shall describe the default, the
930 proposed means of curing the default, and any other action
931 that the commission may take and shall offer training and
932 specific technical assistance regarding the default.

933 (2) The commission shall provide a copy of the notice
934 of default to the other member states.

935 (c) If a state in default fails to cure the default,
936 the defaulting state may be terminated from the compact upon
937 an affirmative vote of a majority of the delegates of the
938 member states, and all rights, privileges, and benefits
939 conferred on that state by this compact may be terminated on
940 the effective date of termination. A cure of the default does
941 not relieve the offending state of obligations or liabilities
942 incurred during the period of default.

943 (d) Termination of membership in the compact shall be
944 imposed only after all other means of securing compliance have
945 been exhausted. Notice of intent to suspend or terminate shall
946 be given by the commission to the governor, the majority and
947 minority leaders of the defaulting state's legislature, the
948 defaulting state's licensing authority, and each of the member
949 states' licensing authority.

950 (e) A state that has been terminated is responsible for
951 all assessments, obligations, and liabilities incurred through
952 the effective date of termination, including obligations that

HB279 INTRODUCED

953 extend beyond the effective date of termination.

954 (f) Upon the termination of a state's membership from
955 this compact, that state shall immediately provide notice to
956 all licensees who hold a multistate license within that state
957 of the termination. The terminated state shall continue to
958 recognize all licenses granted pursuant to this compact for a
959 minimum of 180 days after the date of the notice of
960 termination.

961 (g) The commission shall not bear any costs related to
962 a state that is found to be in default or that has been
963 terminated from the compact, unless agreed upon in writing
964 between the commission and the defaulting state.

965 (h) The defaulting state may appeal the action of the
966 commission by petitioning the U.S. District Court for the
967 District of Columbia or the federal district where the
968 commission has its principal offices. The prevailing party
969 shall be awarded all costs of such litigation, including
970 reasonable attorney fees.

971 (i) Dispute resolution.

972 (1) Upon request by a member state, the commission
973 shall attempt to resolve disputes related to the compact that
974 arise among member states and between member and non-member
975 states.

976 (2) The commission shall adopt a rule providing for
977 both mediation and binding dispute resolution for disputes as
978 appropriate.

979 (j) Enforcement.

980 (1) The commission, in the reasonable exercise of its

HB279 INTRODUCED

discretion, shall enforce the provisions of this compact and the commission's rules.

(2) By majority vote as provided by commission rule, the commission may initiate legal action against a member state in default in the U.S. District Court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its adopted rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney fees. The remedies herein shall not be the exclusive remedies of the commission. The commission may pursue any other remedies available under federal or the defaulting member state's laws.

(3) A member state may initiate legal action against the commission in the U.S. District Court for the District of Columbia or the federal district where the commission has its principal offices to enforce compliance with the provisions of the compact and its adopted rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney fees.

(4) No individual or entity other than a member state may enforce this compact against the commission.

§34-7B-92 Effective date, withdrawal, and amendment.

(a) The compact shall come into effect on the date on

HB279 INTRODUCED

1009 which the compact statute is enacted into law in the seventh
1010 member state.

1011 (1) On or after the effective date of the compact, the
1012 commission shall convene and review the enactment of each of
1013 the charter member states to determine if the statute enacted
1014 by each such charter member state is materially different than
1015 the model compact statute.

1016 a. A charter member state whose enactment is found to
1017 be materially different from the model compact statute shall
1018 be entitled to the default process set forth in Section
1019 34-7B-91.

1020 b. If any member state is later found to be in default,
1021 or is terminated or withdraws from the compact, the commission
1022 shall remain in existence, and the compact shall remain in
1023 effect even if the number of member states should be less than
1024 seven.

1025 (2) Member states enacting the compact after the
1026 charter member states shall be subject to the process set
1027 forth in Section 34-7B-88(c)(24) to determine if their
1028 enactments are materially different from the model compact
1029 statute and whether they qualify for participation in the
1030 compact.

1031 (3) All actions taken for the benefit of the commission
1032 or in furtherance of the purposes of the administration of the
1033 compact prior to the effective date of the compact or the
1034 commission coming into existence shall be considered actions
1035 of the commission unless specifically repudiated by the
1036 commission.

HB279 INTRODUCED

1037 (4) Any state that joins the compact shall be subject
1038 to the commission's rules and bylaws as they exist on the date
1039 on which the compact becomes law in that state. Any rule that
1040 has been previously adopted by the commission shall have the
1041 full force and effect of law on the day the compact becomes
1042 law in that state.

1043 (b) Any member state may withdraw from this compact by
1044 enacting a statute repealing that state's enactment of the
1045 compact.

1046 (1) A member state's withdrawal shall not take effect
1047 until 180 days after the enactment of the repealing statute.

1048 (2) Withdrawal shall not affect the continuing
1049 requirement of the withdrawing state's licensing authority to
1050 comply with the investigative and adverse action reporting
1051 requirements of this compact prior to the effective date of
1052 withdrawal.

1053 (3) Upon the enactment of a statute withdrawing from
1054 this compact, a state shall immediately provide notice of the
1055 withdrawal to all licensees within that state. Notwithstanding
1056 any subsequent statutory enactment to the contrary, the
1057 withdrawing state shall continue to recognize all licenses
1058 granted pursuant to this compact for a minimum of 180 days
1059 after the date of such notice of withdrawal.

1060 (c) Nothing contained in this compact shall be
1061 construed to invalidate or prevent any licensure agreement or
1062 other cooperative arrangement between a member state and a
1063 non-member state that does not conflict with the provisions of
1064 this compact.

HB279 INTRODUCED

1065 (d) This compact may be amended by the member states.
1066 No amendment to this compact shall become effective and
1067 binding upon any member state until it is enacted into the
1068 laws of all member states.

1069 §34-7B-93 Construction and severability.

1070 (a) This compact and the commission's rulemaking
1071 authority shall be liberally construed to effectuate the
1072 purposes and the implementation and administration of the
1073 compact. Provisions of the compact expressly authorizing or
1074 requiring the adoption of rules shall not be construed to
1075 limit the commission's rulemaking authority solely for those
1076 purposes.

1077 (b) The provisions of this compact shall be severable,
1078 and if any phrase, clause, sentence, or provision of this
1079 compact is held by a court of competent jurisdiction to be
1080 contrary to the constitution of any member state, a state
1081 seeking participation in the compact, or of the United States,
1082 or the applicability thereof to any government, agency,
1083 person, or circumstance is held to be unconstitutional by a
1084 court of competent jurisdiction, the validity of the remainder
1085 of this compact, and the applicability thereof to any other
1086 government, agency, person, or circumstance shall not be
1087 affected thereby.

1088 (c) Notwithstanding subsection (b), the commission may
1089 deny a state's participation in the compact or, in accordance
1090 with the requirements of Section 34-7B-91, terminate a member
1091 state's participation in the compact if it determines that a
1092 constitutional requirement of a member state is a material

HB279 INTRODUCED

1093 departure from the compact. Otherwise, if this compact shall
1094 be held to be contrary to the constitution of any member
1095 state, the compact shall remain in full force and effect as to
1096 the remaining member states and in full force and effect as to
1097 the member state affected as to all severable matters.

1098 §34-7B-94 Consistent effect and conflict with other
1099 state laws.

1100 (a) Nothing herein shall prevent or inhibit the
1101 enforcement of any other law of a member state that is not
1102 inconsistent with the compact.

1103 (b) Any laws, statutes, rules, or other legal
1104 requirements in a member state in conflict with the compact
1105 are superseded to the extent of the conflict.

1106 (c) All permissible agreements between the commission
1107 and the member states are binding in accordance with their
1108 terms.

1109 (d) The purpose of this compact is to facilitate
1110 multistate licensure for estheticians. Nothing herein shall
1111 subject a member state to any laws, rules, or policies from
1112 any other member state beyond the intended purpose of this
1113 compact.

1114 (e) Nothing herein shall require any member state to
1115 adopt additional laws, rules, or policies beyond the intended
1116 purpose of this compact.

1117 Section 2. This act shall become effective on October
1118 1, 2026.
